1.0 PURPOSE & MANAGEMENT GUIDANCE

1.1. The Performance Improvement Plan ("PIP") framework provides a structured process for addressing documented performance deficiencies, behavioral issues, or core deliverable failures. The primary goal of a PIP is to assist employees in attaining satisfactory job performance aligned with corporate expectations.

1.2. PIP duration is typically thirty (30) or sixty (60) calendar days. Initiation of a formal PIP requires prior review and authorization from Dana Whitcombe, Head of HR, to ensure objective criteria and fair administration.
