

NORTHLANE SOFTWARE INC.
THIRD-PARTY VENDOR CONTRACT RISK ASSESSMENT MEMORANDUM

Document ID	LEG-L6-2026
Evaluation Date	May 4, 2026
Author	Jordan Reyes, General Counsel
Reviewed By	Marcus Feld (CFO), Sam Okafor (Director of Security)
Classification	Internal / Legal Risk Memo

1.0 RISK EVALUATION & VENDOR PROFILE

- 1.1. This memorandum evaluates commercial contract risks associated with renewing critical cloud sub-processors supporting Northlane Insights. Primary focus centers on AWS infrastructure costs, Datadog monitoring agreements, and Snowflake data warehouse licensing overseen by Marcus Feld, CFO.
- 1.2. SLA Liability Gaps. Current vendor terms cap vendor breach liability to 1 month of subscription fees, creating an unhedged exposure against enterprise client SLA guarantees.
